Experience

Experience new virtual congress technologies and a state-of-the-art virtual venue

Access

Watch sessions live or recorded on-demand

Network

Engage with international scientists, researchers, and colleagues online

Poster Instructions

Instructions to make your poster

Please submit your poster in .PDF format, portrait position, preferably in (minimal) A2 format (although A3 would also be possible)

Paper Format	Dimensions in mm	In cm	In inches
A2 Format	420 x 594 mm	42 x 59.4 cm	16.5 x 23.4 inches
A3 format	297 x 420 mm	29.7 x 42 cm	11.7 x 16.5 inches

You can create the poster in Word, PowerPoint, Photoshop or Illustrator, as long as you submit it as .PDF

Max. file size = 20MB

Poster Video (optional) 1/2

In addition to the poster, you are welcome to submit a 3-minute video in which the poster is presented. The main goal is to tease the attendees of the conference to a more detailed look at your poster. If you want to submit a video with your poster, please consider the following guidelines:

- The video should contain a brief summary of the research described on the poster. The video should contain slides that support your poster or the poster should be in the background of the video.
- Maximum length is 3 minutes
- Although not mandatory, we encourage you to be visible in the video so that other researchers can get to know about the person behind the project.

Poster Video (optional) 2/2

- An instruction video on how to easily record a video in PowerPoint can be found here:
<https://www.youtube.com/watch?v=D8JV3w4TOVw>
- Please upload your video on YouTube or Vimeo and share the link together with the poster PDF.
- Please do not send the Mp4 file directly to the organisers as it will not be processed.

Poster presentations

- As the platform will open on 10 August 2021, your poster will be available for poster viewings from 10 August 2021 – 2 September 2021.
- The congress has two dedicated poster sessions:
 - Friday 27 August 2021: 6 PM – 7.30 PM
 - Tuesday 31 August 2021: 5.15 PM - 6.15 PM

As poster presenter you will get access to a hosted room in the platform where you wait for congress delegates to enter. You can share your poster as PDF and answer the questions of the delegates during the live Q&A. You will get an e-mail with access to your hosted room as well as your personal poster page in July, 2021.

Via this link you will already find some basic instructions for the poster host dashboard of the platform: <http://support.conferences.cc/en/articles/4387612-host-dashboard>

Important submission info

- When saving the poster document, please clearly state the abstract ID number and presenting author's name as the name of your file

Example: 15_smith

- In any correspondence with the Congress Secretariat, always refer to the abstract ID number
- For planning and process purposes, the **DEADLINE** for submission of your poster is: **15 July 2021**
- **SUBMISSION:** submission will be available soon through your WC11 congress account
